

PARENTING WORKSHOP

With Author, Parenting Expert, and
Registered Psychologist – Dr. Vanessa Lapointe!

Discipline without Damage featuring Dr. Vanessa Lapointe, R. Psych

This workshop featuring the highly-regarded and very entertaining, Dr. Vanessa Lapointe is dedicated to navigating parenting information and teaching parents how to respond to behaviour and use nurturing discipline to raise children in a way that fosters emotional health, well-being and self-discipline. Dr. Lapointe will also explore the foundations of discipline, the challenges parents often run into when responding to behaviour, and provide a roadmap for exactly what nurturing discipline looks like. When it comes to discipline, a parentally guided plan, rooted in confidence, care, and intentionality is a must and Dr. Lapointe will teach parents how to get that plan in place.

FOR PARENTS AND CAREGIVERS
